

Computer Operator IV (AVCATT) – Marana, AZ

Requisition Unique ID (R0001321) – write this number on your application

Job description

Phoenix Logistics, Inc. is currently seeking applicants for a Computer Operator IV position at Marana, AZ. This position will be in support of the Army Training Aids, Devices, Simulators and Simulations (TADSS) Maintenance Program (ATMP) contract for the Aviation Combined Arms Tactical Trainer (AVCATT) Sets. Please apply if you are a current incumbent employee on Warfighter FOCUS.

Key Responsibilities

The Computer Operator IV position assists the customer by operating TADSS workstations and providing familiarization training on Aviation Combined Arms Tactical Trainer (AVCATT) sets. Examples are:

- ✓ The AVCATT employee operates workstations including After Action Review (AAR), Semi-Automated Forces (SAF), and other control consoles
- ✓ Performs PMCS of equipment and assists technicians with repairs
- ✓ Adapts to a variety of nonstandard problems that require extensive operator intervention (e.g. frequent introduction of new programs, applications, or procedures)
- ✓ In response to computer output instructions or error conditions, chooses or devises a course of action from among several alternatives and alters or deviates from standard procedures if standard procedures do not provide a solution (e.g. reassigning equipment to work around faulty equipment or transfer channels); then refers problems if necessary. Typically, completed work is submitted to users without supervisory review.

This position may require travel to other installations and other ATMP locations throughout CONUS and OCONUS.

Basic Qualifications

- ✓ Must be a Subject Matter Expert (SME) on TADSS operation
- ✓ Current incumbent on Warfighter FOCUS as a Computer Operator at Marana, AZ
- ✓ 6 - 8 years' experience as a Computer Operator or related position
- ✓ Must be able to obtain/maintain a valid driver's license and On-Post driving privileges
- ✓ Must be able to wear appropriate personal protective equipment.

Professional Skills

- ✓ Excellent written and oral communications skills, attention to detail, strong organizational skills, computer proficiency, and the ability to work under strict deadlines in a fast-paced environment
- ✓ Knowledge of course development and education methodology for working with adult learners in a military environment
- ✓ Strong analytical, problem-solving, customer service and decision-making skills
- ✓ Proficiency in MS Office applications (Word, PowerPoint, Outlook, Excel)
