Requisition Unique ID (R0001318) – write this number on your application

Job description

Phoenix Logistics, Inc. is currently seeking applicants for Simulation Maintenance Technician III positions at Marana, AZ. This position is in support of the Army Training Aids, Devices, Simulators and Simulations (TADSS) Maintenance Program (ATMP) Contract for the AH-64A/D Simulation Training System. Please apply if you are a current incumbent employee on Warfighter FOCUS.

Key Responsibilities

The Simulation Maintenance Technician III position will perform all functions required to maintain and repair electronic TADSS and equipment for the AH-64A/D Simulation Training System. Examples are:

- ✓ Performs PMCS, troubleshoots and isolates faults
- ✓ Uses spare/repair parts to repair faults IAW technical guidelines
- ✓ Researches and selects repair parts needed
- ✓ Enters work order data in the on-line management information system
- ✓ Applies advanced technical knowledge to solve complex problems that typically cannot be solved solely by referencing manufacturers' manuals or similar documents
- ✓ May supervise, provide direction to, and check lower level technicians' work

This position may require travel to other installations and other ATMP locations throughout CONUS and OCONUS.

Basic Qualifications

- ✓ Current incumbent on Warfighter FOCUS as a Simulation Maintenance Technician at Marana, AZ
- ✓ 2 - 5 years' experience with electronics testing/troubleshooting
- ✓ Basic computer skills
- ✓ Must be able to obtain/maintain a valid driver's license and On-Post driving privileges
- ✓ Must be able to wear appropriate personal protective equipment

Professional Skills

- ✓ Excellent written and oral communications skills, attention to detail, strong organizational skills, computer proficiency, and the ability to work under strict deadlines in a fast-paced environment
- ✓ Knowledge of course development and education methodology for working with adult learners in a military environment
- ✓ Strong analytical, problem-solving, customer service and decision-making skills
- ✓ Proficiency in MS Office applications (Word, PowerPoint, Outlook, Excel)
